7 CISCO SYSTEMS INC,

8 Plaintiff,

9 v.

10 ARISTA NETWORKS, INC.,

11 Defendant.

12

13 On December 3, 2015, the parties appeared before the Court for a Case Management  
14 Conference. Based on the briefing and the parties' arguments at the case management conference,  
15 the Court finds that Defendant has demonstrated good cause to continue the trial date from August  
16 4, 2016 to November 21, 2016 and that Plaintiff's showing of prejudice is not adequate to defeat  
17 the request for a three and a half month delay. Defendant has also shown good cause to increase  
18 the number of depositions and interrogatories. Accordingly, IT IS HEREBY ORDERED that:

- 19 1. Defendant is allowed up to 20 depositions total plus 30(b)(6) depositions.  
20 2. Defendant is allowed 5 additional interrogatories (30 total).  
21 3. The scheduling order is modified as follows:

22 <b>EVENT</b>	23 <b>DATE OR DEADLINE</b>
24 Further Case Management Conference	January 28, 2016 at 11:00 a.m.
25 Claims Construction Tutorial	March 11, 2016 at 9:00 a.m.
26 Claims Construction Hearing	March 18, 2016 at 9:00 a.m.
27 Last Day to Hear Dispositive Motions	August 4, 2016
28 Final Pretrial Conference	November 3, 2016
Trial	November 21, 2016

1        This Order is without prejudice to Defendant seeking additional discovery upon a showing  
2 of good cause. In light of the foregoing scheduling changes, the Court finds Defendant's request  
3 to stay the patent claims MOOT.

## **IT IS SO ORDERED.**

5 | Dated: December 3, 2015

  
BETH LABSON FREEMAN  
United States District Judge

United States District Court
